ABOUT US

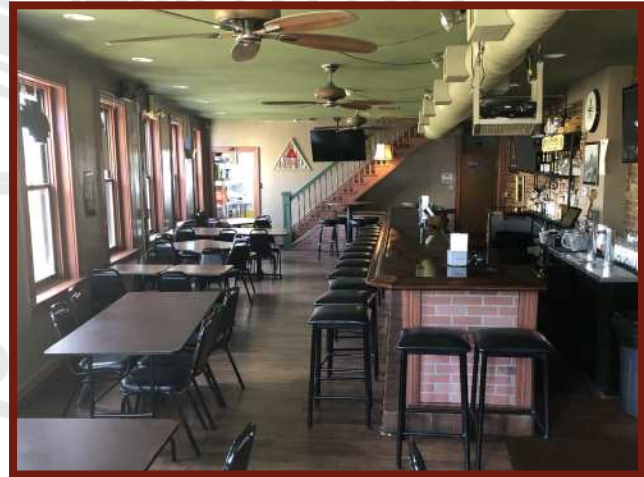

We have had the pleasure of being part of the community here in South Side since 2003, though the building has been a landmark tavern long before that. By focusing on small market craft breweries, high quality pub food and friendly service, we have carved out our niche in this competitive market. With a revolving selection of 22 taps and over 80 bottles, we can definitely provide something you'd like! We like to think of ourselves as a neighborhood bar and not just another stop, and we hope we've made you feel that comfort as well. Whether you're dropping by for happy hour, to catch the game, or to enjoy our award-winning chicken wings, we promise to try our best to ensure that you'll enjoy yourselves.

So sit back and enjoy some good times and great beer!
