F.A.Q.

Can we decorate the space?

Yes! We open at 11am so you can come in at any time that day to decorate. Feel free to tape stuff to the walls, however we ask that you don't bring any confetti or glitter decor.

Can we bring desserts?

Yes! Dessert options are the only thing we do not offer so you can bring whatever you like. Any other types of food must be ordered through us. If you'd like to drop off your dessert before your event, we can find space in our coolers for it.

What about music?

We recommend you bring your own speaker or soundsystem for music.

How long do we have the room?

You tell us! We do not double book the space, so you tell us when you want to start & finish. If your group is winding down and we have the space, you may be asked to move downstairs. Please note that BBT closes at midnight.

What if we want something that we don't see on the menu?

Just make a request and if it's something we can do, we will price it out for you.
